

**REMARKS**

Claims 1-8 are currently pending.

The Examiner rejected Claims 1-8 under the judicially created doctrine of obviousness-type double patenting as being unpatentable over Claims 1-15 of Applicants' prior U.S. Patent No. 6,267,366 (the "'366 Patent").

Applicants' have included a terminal disclaimer in accordance with 37 C.F.R. § 1.321(a) with this paper to overcome the obviousness-type double patenting rejection. By filing this terminal disclaimer, Applicants do not admit that the '366 Patent encompasses the same subject matter as the present application.

**CONCLUSION**

In view of the foregoing, allowance of Claims 1-8 is respectfully requested.

Respectfully submitted,

Billie Jean Smith  
Reg. No. 36,940

Docket No. 077047-9301-03
